## Long awaited recycling centre takes another step to fruition

BRIDPORT is one step closer to having a state-of-the art household recycling centre on its doorstep as plans for the Broomhills plant go before planners.

Blueprints for the £8 million combined household recycling centre (HRC) and waste transfer station just off the A35 west of Bridport have been officially lodged by the Dorset Waste Partnership (DWP).

The site was originally chosen from a shortlist of six proposed sites after it was shown to have the least impact on the surrounding area.

But concerns have been voiced over the impact the plant may have on the nearby Miles Cross junction on the A35 which has witnessed a number

of accidents in recent years.

DWP will know if their proposals have been successful when Dorset County Council's planning committee meets on Friday, July 26th.

Local people have been waiting nearly 20 years for a new facility following the closure of the Bothenhampton landfill site in the mid 1990s.

The waste management facility on South Street – which opened in 1998 on a temporary basis – has long been deemed too small and too restrictive to cater for a town the size of Bridport.

If planning permission is granted, DWP aims to begin building on the Broomhills site in August this year for completion in spring 2015.

The proposed schedule would see the plant open

**by Chris Denne**

in time to support the planned new 'Recycle for Dorset' collection service in the area.

The new centre would consist of a modern, split-level HRC and a transfer station to house recycling and rubbish in a covered building before it is sent for recycling, treatment or disposal.

The designers have worked with the Dorset Area of Outstanding Natural Beauty to mitigate environmental impacts, including landscaping and planting around the site.

The centre would include solar panels on its roof to power the site buildings.

DWP and project engineers have also collaborated with the Highways Agency to modify the proposed signal-controlled junction on the A35 trunk road.

In response to feedback during public consultation, the proposed signal-controlled right turn into the site has been scrapped.

Instead, eastbound traffic will continue to the Crown Roundabout and loop back to access the site.

Traffic will only be stopped by a red light when a vehicle needs to turn right out of the site.

If the application is approved, the DWP will

seek permission to keep the current South Street HRC site open for a further two years while the new centre is being built.

Hilary Cox, Chair of the DWP Joint Committee, said: "Local people have been following the search for a new waste management centre for Bridport over many years and will, I'm sure, be relieved to see it nearing a conclusion."

"A modern facility has been designed to help meet the needs of the local area and increase

our recycling while blending in with the outstanding local environment."

The planning application documents and artist's impressions of what the facility will look like are now available to view and comment on by entering reference number 1/D/13/000738 into the Dorset County Council planning application search at [www.dorsetforyou.com/planning](http://www.dorsetforyou.com/planning)

The closing date for comments is Wednesday, June 26th.

**ORIGINALLY** from East Anglia, Nigel Reeve has spent most of his career working in the London media world but moved to the area four years ago, setting up Marketing West.

Nigel lives in Beaminster and his marketing company represents businesses across West Dorset, East Devon and South Somerset.

He is a member of the Chartered Institute of Marketing and was one of the directors that came up with the idea of Classic FM. When working there he won the Campaign Medium of the Year Award and the Marketing Society New Product of the Year Award.

Nigel then moved to ITV where he launched the UK's first rolling news radio station.

Marketing West was formed in 2010 and, in 2012, won the Marketing Campaign of the Year Award at the Dorset Open4Business awards and was also named as Business of the Year.

## ■ HOW did you get into marketing?

I started working in the newspaper industry and then broadcasting. In the early 1990s I was one of the three originals that launched Classic FM. I was responsible for all their launch marketing and things went from there. After that I went to ITN/LBC in London and that's when I realised this was what I really wanted to do

## ■ WHAT do you enjoy about the job?

We focus on delivering results for clients so it's the challenge. There's nothing better than when a client says that the strategy we devised has really made a difference to their business.

## ■ WHAT kind of business and organisations do you represent?

Our range of clients is quite varied, from national businesses through to individual retail outlets. Currently we are working with a couple of hotels, a vineyard, a stove manufacturer, a manufacturer of wood chippers, a group of care homes, a pharmacy, a legal firm, a specialist mediator, a couple of local pubs, a camping specialist and the Charmouth Traders Association. See what I mean?

## ■ ARE there any major projects you're working on at the moment?

At the moment we are working on four major leaflet

# 60 SECOND INTERVIEW

door drops which when combined will be delivered to about 70,000 homes throughout the South West. I cannot say any more at this stage other than getting these to all tie in together is a nightmare!

## ■ ARE you a member of any local organisations?

I'm a member of the local branch of the Federation of Small Business and a member of the Chartered Institute of Marketing which also puts on local events. Also I'm a member of the Beaminster Chamber of Commerce, the Weymouth Chamber and the Dorchester Chamber. It means a lot of breakfast meetings but who's complaining?

## ■ WHAT are your personal interests?

I'm a lover of malt whiskey and red wine. I play golf and wish I played more. For my sins I'm also an avid fan of Ipswich Town Football Club as I was born about 200 yards from their ground.

## ■ WHAT do you like about living in this area?

The area is simply unique. I've spent time travelling all round the UK but there is nowhere quite like this area. It's also like going back 30 years. If only we could get the broadband improved it would be perfect.

## ■ WHERE is your ideal holiday destination?

There are two places I love. One is the Scottish Highlands as the air is so clean, the scenery is stunning and the golf courses are wonderful. The other is the island of Corsica. French food with an Italian influence plus the sunshine and one of the best golf courses in the world.

## ■ WHICH three guests would you invite to your dream dinner party?

I'd certainly want Margaret Thatcher there. Whatever people may say now they don't appreciate what this country was like in the 1970s before she was elected. I'd also invite John Lennon who was the real talent behind The Beatles and the last would be Luciano Pavarotti. I was lucky to see him live a couple of times - so much presence on stage.

# Credit Union in move to library

FIRST Dorset Credit Union (FDCU) are moving from St Mary's Church to Bridport Library.

The community-run savings and loans co-operative will operate from its new location on South Street from July 6th.

The opening time of 9:30am to 11:30am on Saturdays remains unchanged.

The move follows efforts by FDCU to find a more central location.

Credit Unions offer members the chance to earn interest on savings while offering loans to other members at reasonable interest rates.

The scheme is of most benefit to people who cannot get loans from banks or building societies – often the people in most need of the money.

Members can get a small loan to cover such needs as getting a car through its MOT, buying a cooker, or repairing a

washing machine. A typical first loan is in the region of £500.

The initiative is credited with offering an alternative to very expensive finance companies, money lenders or much-criticised payday loan companies.

FDCU is a co-operative owned by its members, run by member volunteers and authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and

the Prudential Regulation Authority.

With over 2,000 members, the service offers

13 service points staffed by 120 volunteers

spread across West Dorset.

People who join a Credit Union automatically become a share holding member, entitling them to a slice of any profits each year and a say on the running of the union.

Members can also open a Christmas Account – which pays out at the end of November.

As money deposited with the Credit Union are guaranteed by the Financial Services Compensation Scheme, savings are safe.

The Saturday morning sessions offer the first

line of contact for people wanting to save with FDCU or enquire about a loan.

A FDCU spokesperson said: "We wish to take this opportunity of thanking St Mary's Church for providing us with much appreciated accommodation for the last two years and also Dorset County Council for giving us space for the future in Bridport Library.

"Our biggest challenge is spreading the message... so please tell your friends about our community bank in Bridport Library."

## Back to the old ways to rid hill of bracken

THE Woodland Trust has come up with a distinctly old fashioned way of tackling the spread of unwanted bracken across Allington Hill.

They are employing the services of Kipp – an Ardennes draft horse.

Weather permitting, Kipp will shortly be getting to work clearing the plants that have taken over in some places on the hill.

Under the guidance of his owner, Kipp will pull a large roller over the bracken, bruising the stems, and allowing other plants the chance to grow.

Using a horse-drawn roller is considered the most environmental way to deal with the bracken as it involves neither oil-fuelled machinery nor chemicals.

The action is considered a small piece in the bigger plan of improving and protecting the habitats on the hill.

An Allington Hillbilly spokesperson said: "Wildlife especially bees and butterflies need all the help they can get.

"If we are able to encourage plants rich in pollen and provide seed and berries, all the wildlife on the hill will benefit.

"We are extremely grateful that the Woodland Trust has gone to the expense of using traditional methods to control the bracken, without the use of machines and chemicals."

A working demonstration for the public will be held on Saturday, June 22nd at around 11am on the east side of the hill, with the closest entrance Park Road.

Following the demonstration the Allington Hill festival will start, with many children's activities in Coopers field on the north side of the hill, parallel with Hospital Lane.

## Volunteers wanted

THE Volunteer Centre Dorset is seeking volunteers within the Bridport, Weymouth, Portland and Dorchester areas to help with their latest project.

Supported by Dorset County Council, Dorset Community Foundation and the Health Social Care Volunteering Fund, the Community Credits Scheme has been set-up to galvanise South Dorset's community by enabling active mentors to support people with learning disabilities.

Community Credits grant free beneficial access to gyms, cinemas, swimming pools, community centres and a host of other local venues: both academic and leisure focused.

In return for volunteering time the Volunteer Centre are offering Community Credits for volunteers to spend on select leisure activities in Dorset.

Local businesses are supporting the centre by providing free taster sessions, including: The Osprey Quay, Bridport

and Weymouth leisure centre, Dorset's First Credit Union, Bridport Golf Club and the Dorchester Plaza Cinema.

The Volunteer Centre is now actively seeking individuals that can offer to be mentors for adults with learning disabilities.

Organisers describe the entry criteria is "broad" and open to anyone who can take the lead in supporting a person with learning disability, offer some time on a regular basis and be prepared to take part in some initial training.

To find out more about Community Credits and how you could help, go along to the Volunteer Centre at the Coach House, Acland Road, Dorchester, DT1 1EF on June 26th. Doors are open from 10am to 1pm

For more details or to offer volunteering services, call Siobhan Davis on: 01305 269214 or 07918 639014.

More details can be found at [volunteeringdorset.org.uk](http://volunteeringdorset.org.uk)

## Views wanted on cutting the number of district councillors

IT'S only a few weeks until Beaminster's Big Day, and local housing provider Magna is helping out with some of the preparations.

Members of Beaminster's Youth Centre have been working with local artist, Marc Parrett, in preparation for the day on Sunday, July 7th.

Capping the Beaminster Festival, the day includes a parade of giant insects and street theatre performances aimed at all ages.

Magna has funded a number of workshops from its community initiative fund, so that local youngsters can learn from experts how to create carnival costumes and puppets, how to perform in a parade and street dance.

Magna representatives and Beaminster residents, Cilla and Gerald Burdess, came along to one of the workshops on June 8th to support the group.

Cilla said: "It's great that Magna gets involved in helping community events like this, it shows that they are not just a landlord."

"The Beaminster Day sounds fantastic and from seeing the workshop today, we can't wait to see the results of their efforts on July 7th."

Organiser David Wooton said: "We are very grateful to the Arts Council for awarding a grant so that we can develop the event."

"The Arts Council rightly expect match-funding from local organisations and individuals. Not only have Magna made a generous donation towards the cost of the event, they have also helped us

with its promotion.

"Their support means that we can have top-quality experts leading the workshops, such as Exlis Staddon, who leads the Street Dance workshops."

The critically acclaimed 43-year-old has retained links to her hometown of Bridport, launching her last two album tours with intimate local gigs and often seen supporting events and musicians in and around town.

She is joined on the Queen's Birthday Honours list by fellow MBE recipient Adele.

Born in Bridport in 1969, Polly Jean first performed with Bristol-based band Automatic Dlamini formed by John Parish - with whom she would go on to collaborate throughout her career.

## Brush up on your motorbiking skills

BIKERS are being invited to brush up on their riding skills at a free event in Chickerell, Weymouth.

Potentially life-saving advice will be on offer from advanced motorcycle instructors and riders will have a chance to be observed on one of Dorset's most popular motorbike routes, the B3157 coast road between Weymouth and Bridport.

The event is being held by Dorset County Council and the Dorchester and West Dorset Advanced Motorcyclists and includes a 90-minute presentation by Bike Safe and police motorbike instructor Chris Smith to help riders become more aware of the risks and hazards associated with riding a motorbike.

Riders will also have the opportunity to ride the coast road with an Institute of Advanced Motorists group observer who will provide feedback to improve their road riding skills and get more enjoyment out of riding their motorbike.

The event will be held on Sunday, June 30th at Willowbed Hall, Putton Lane, Chickerell, with registration from 8:30am. First ride-out and theory session is from 9am-10:30am and there will be a break and refreshments from 10:30am-11am before the second ride-out and theory session from 11am-12:30pm.

County cabinet environment spokesman Hilary Cox said: "Riders shouldn't miss out on this excellent opportunity to review their skills. Previous courses and observed rides have been well attended and provided an enjoyable and informative morning."

"Our roads are getting busier year on year and we are working with our partners to develop events like this to help riders improve their hazard awareness and defensive riding skills."

County road safety officer Emma Selway said: "Anyone interested should book their place as soon as possible as spaces are limited on both the theory and ride-out sessions."

"All you need to take part in the ride-out is a full licence and a bike classed 250cc or over that is taxed, insured and has a current MOT certificate if applicable."

To book a place and for more information, contact the county Road Safety Team on 01305 224558 or email [roadsafety@dorsetcc.gov.uk](mailto:roadsafety@dorsetcc.gov.uk)

THE Dorset's children's hospice service, Julia's House, has held a reception at 10 Downing Street to mark its 10th anniversary.

The Prime Minister's wife, Samantha Cameron, hosted the event, which was organised by patron Annabel Karmel and attended by Julia's House families along with celebrities including Guy Ritchie and Denise Van Outen.

More than 120 guests met with Julia's House families and staff during the reception, where Samantha Cameron spoke about the great work Julia's House does for sick children. She also commended the much-needed support and respite it offers to their parents and siblings.

Annabel Karmel said: "We are absolutely delighted that Mrs Cameron and other well-known household names have shown their

support for Julia's House. The charity is funded almost entirely through donations and they have really helped to raise public awareness of this unique and vital service."

"I was enormously impressed by the facilities and level of care given on my visit to the hospice in Dorset. Children with life-limiting or life-threatening conditions can live for many years after their diagnosis, which is naturally going to place a strain on families. Most children's hospices focus on end-of-life care and longer stays, but Julia's House has pioneered a provision for frequent shorter respite breaks throughout the child's life. That's what makes it so special."

Also speaking at the event was Chief Executive of Julia's House, Martin Edwards.

He highlighted the charity's

unique home and hospice-based respite service and social support for all the family.

He also unveiled new plans to extend the service to reach even more families and lobby for better respite care. They also want to undertake further research into how frequent respite can help prevent family breakdown, and have also begun mentoring other children's hospice charities around the UK.

The charity established home care throughout Dorset, followed by a hospice near Poole, each providing regular week-to-week short respite breaks to give parents time off.

Julia's House won 'Healthcare Charity of the Year' at the 2012 National Charity Awards, and it now seeks to promote its model of frequent respite to reach families on a national level.

## Saddle up for bike week

RESIDENTS across Dorset are being urged to follow in the trail blazed by the likes of Bradley Wiggins and Victoria Pendleton and saddle up for National Bike Week.

The event, which runs until June 23rd, sees a host of activities taking place around the county to encourage people to dig out their bikes and fall in love with cycling all over again.

Dorset County Council has been supporting a series of free "Dr Bike" sessions and cycle rides this week, culminating in a family fun cycle from Maiden Castle to Max Gate, just outside Dorchester, on Saturday, June 22nd.

Cyclists are asked to meet at Maiden Castle at 11:15am for a leisurely ride along the newly refurbished NCN2 cycle route.

And people can bring a picnic to enjoy at the end of the ride and enjoy the surroundings at Max Gate, home to Dorset's most famous author and poet Thomas Hardy.

The National Trust is offering free entry to Max Gate to all cyclists taking part on the day.

County council Cabinet member for environment Councillor Hilary Cox said: "Cycling is a great way of getting around; it gets you fit and saves you money."

"Bike Week is not just for established cyclists, it's about promoting cycling for everyone and showing just how easily riding can become part of everyday life."

"I urge people to come along to our Bike Week events to find out just what a positive experience cycling can be."

### Bird app warning

**DORSET** Wildlife Trust is warning against the use of apps that imitate birdsong as they could be harmful to birds.

The conservation charity believes the apps – used to entice birds out into the open and closer to the observer – disrupts important activities such as feeding their young.

Now DWT is launching a campaign to cut out their use on nature reserves like Brownsea Island where nesting birds could be affected. Reserve manager Chris Thain said: "I'm sure visitors would be devastated if they realised the possible disturbance they were causing."

### Councillor guilty

**BRIDPORT** councillor Philip Colfox has been found guilty of assault following a dispute over land ownership.

Appearing at Weymouth Magistrates Court, Councillor Colfox pleaded not guilty to the charge, but the judge disputed his version of events and reached a guilty verdict.

The town councillor was issued with a fine and ordered to pay the victim compensation.

### Shipton Gorge fete

**SHIPTON** Gorge Village Society host its annual fete in the village hall this Saturday from 2pm.

There will be a tombola, raffle, cakes, plants, games, local art and vintage vehicles among the attractions.

As part of the fun a local auctioneer will value items brought along but no large items please!

# MP Oliver Letwin speaks at Friends of the Earth event

CAMPAIGNERS and members of the public met with West Dorset MP Oliver Letwin to discuss energy issues.

Taking place in Bridport Town Hall, the Friends of the Earth organised event was chaired by Bridport's County Councillor Ros Kayes.

Titled 'Energy We Can All Afford' the meeting showcased a lively debate on energy

issues from both the speakers and members of the audience.

Andrew Pendleton, head of campaigns for Friends of the Earth National, and Mr Letwin presented their individual view points, speaking briefly before answering questions from the public.

Among the issues covered were wind farms, nuclear energy and whether a decarbonisation

target should be included within the energy bill.

Friends of the Earth reported that while Oliver Letwin appeared to agree with wind farms in theory, he felt the location at Tolpuddle was wrong.

The campaign group also reported that Mr Letwin thought decarbonisation was important and stressed the role of energy efficiency and the development of electric cars.

An FoE spokesperson said: "[Mr Letwin] was also optimistic about car-

bon capture and carbon storage."

The campaign group's Andrew Pendleton used the meeting to convey his disappointment in the fact the House of Commons recently voted against a decarbonisation target.

He said: "I would like to see an approach developed in the UK whereby local communities have much more of a stake in wind turbines, which is happening successfully in countries such as Germany."

## MPs to debate Dorset Police funding

POLICE and Crime Commissioner for Dorset Martyn Underhill has given his strong support to a Parliamentary debate this week on the funding of Dorset Police.

The debate has been secured by South Dorset MP Richard Drax and will take place at Westminster Hall today (June 19th).

Martyn Underhill said: "I fully support the MP's efforts to call for fairer funding for the force."

"Dorset Police is the lowest funded police force in the country in terms of government formula grant per person."

"Nationally, police forces currently receive around 70 per cent of their funding from central government and 30 per cent from Council Tax."

"In Dorset, this ratio is 54 per cent government funding and 46 per cent from Council Tax."

"What this means is that already hard pressed Council Tax payers here in Dorset are shouldering a disproportionately high financial burden to pay for their policing services."

"A fairer share of central funding is also needed to reflect the policing needs caused by the very large number of visitors to the county during the summer months."

The commissioner added: "I am very grateful to Richard Drax for raising this issue in Parliament."

"A greater slice of the

funds will allow us to offer greater protection to community policing in Dorset. People expect visible and accessible policing."

"I have fought to bring an additional 250 specials to our streets within my term of office. Whilst this strengthens the force, it

doesn't make up for the loss in paid police officers."

Clive Chamberlain, chairman of Dorset Police Federation said: "Dorset has lost an astounding 340 police officers since 2007 - 23 per cent of our total number of officers. By 2018, due to anticipated further cuts, we

stand to lose a total of at least 468 warranted police officers - equivalent of losing every officer in Weymouth, Portland, Dorchester, Bridport, Lyme Regis, Sherborne, Blandford, Shaftesbury, Gillingham, Sturminster Newton, and Beaminster."

# Father's Day fundraiser at Highway Farm

LOCAL dads were celebrated at a special charity fund raiser on Father's Day.

Pauline Bale of Bridport's Highway Farm B&B and Babygear's Jane Warren – along with their husbands John and David – organised the brunch at Symene Sports Club in Symondsburry to raise money for prostate cancer research.

Their hard work paid off with £3,000 raised for Prostate Cancer UK and Cancer Research UK.

On top of fuelling up on baps and cakes courtesy of volunteers, scores of visitors refused to let persistent rain stopping them taking up the offer of a guided tour of Colmer's

Hill – Bridport's most iconic natural feature.

At the event a £300 luxury food hamper was won by Heath Thresher from the Vauxhall Garage.

Organiser Pauline Bale said: "Together with a great team of jolly helpers, our friends, neighbours and family members who all worked so well to make the breakfast brunch a great success, we raised £3,000 for Prostate Cancer and Cancer Research.

"The new venue this year – thank you Symene Cricket Club – was a great location."

She added: "Special mention to my grandchildren Dan and Hannah, and Sylvia's mum for folding all the raffle tickets!"

## Award for fire station volunteer

■ THE Chief Fire Officers Commendation is presented to volunteer Carl Bulman by CFO Darran Gunter with Rebecca Siebenthal, a DFRS Home Safety Advisor. Carl and Rebecca are based at Bridport Fire Station

A VOLUNTEER for Bridport's fire station has scooped an award after he remained "calm in the face of a trauma" at the scene of an accident.

Dorset Fire and Rescue Service Community Volunteer Carl Bulman was recognised for his actions at the service's annual awards ceremony at Lulworth Castle.

The assembled firefighters heard how Mr Bulman was returning from a day working with a home safety advisor, when he came across a road traffic collision which had obviously just occurred.

Drawing on his experience, colleagues heard how Mr Bulman remained "calm in the face of a trauma and did a great deal to assist the injured parties and the emergency services."

At the event, Fire Brigade Long Service

and Good Conduct Medals (LSGCM) were given out to four recipients, including firefighter Robbie Tompkins from Poole who was surprised by the Chief Fire Officer whilst descending from the castle roof with the Technical Rescue Team.

A Community Safety Award was also presented to Chief Executive of East Boro Housing, Mr Kevin Hodder.

Dorset's Chief Fire Officer Darran Gunter said: "My sincere thanks go to the Weld family, who once again, very generously allowed us to use one of the most prestigious venues in the county to host our annual awards."

He added: "I am very proud of the service we deliver to Dorset and of all those who make up that service. In addition to recognising the members of staff who have

worked within Dorset Fire & Rescue Service for 20 years, I was delighted to be presenting awards in four other categories.

"This allowed us to praise the excellent work being done above and beyond the call of duty with regards to work within the community, making a difference to the service, young achievers and professional achievements."

Rebecca Knox, chairman of Dorset Fire Authority said: "I was delighted once again, to be able to celebrate the achievements of Dorset Fire and Rescue Service staff and members of the public who have taken extraordinary actions."

"As a fire authority we are keen to invest in our people and I am always proud to present certificates to those members of staff who have achieved professional accolades."

## Local groups celebrate after community fund pays out nearly £12K

COMMUNITY groups in the local area are celebrating receiving payouts from the Bridport Community Fund.

Nearly £12,000 was awarded to 20 community groups who applied to the Bridport Community Fund which comes from entry fees from West Bay Car Boot sale.

Recipients of funding from the fund included:

- Bridport Millennium Green Trust - £2,000 for improvements to the Millennium Green at Mountfield;
- Fizzy Boppers based at Netherbury Village Hall - they provide a high energy music and dance group for children aged 0-5 and their carers were awarded £206.27 to buy new instruments;
- Bridport Arts Centre - £300 to run a week long summer school for the Bridport Art Centre's youth theatre.
- The Bopper Bus Organisation serves to transport children in rural villages to the Bridport Leisure Centre every week for sports activities otherwise unavailable to them due to their difficult home locations - £500 for transport costs;
- Bridport Heritage Forum - £200 towards building a 1916 Bridport living room and a section of the trench on the Western front as the central focus of

by Chris Denne

their exhibition in the town hall commemorating the 100th anniversary of the start of World War I.

Each successful group will be awarded a certificate by West Dorset District Council chairman Gillian Summers at a celebration event at The Salt House in West Bay on Friday, June 21st.

Each organisation will be given an opportunity to tell the attendees how the money has helped them.

Councillor Summers said: "The Bridport Community Fund is a great opportunity for voluntary groups in West Bay and the surrounding areas to apply for funding for a project which helps benefit their community."

"Congratulations to everyone who was successful in receiving the funding. We did not have as much money to distribute this year as 2012 was such a wet summer, there will be another opportunity for all groups to apply to the fund when it re-opens in January 2014."

# Dr Roberts inspires museum's summer exhibition

by Chris Denne  
chris@pemedial.co.uk

BRIDPORT Museum is showcasing a display for this season that is a little different from the others.

The exhibit is a display of artwork created by Year Five children from St Mary's School, the senior residents of Harbour House in West Bay, and visitors to Chancery House day centre in Bridport.

The children and older people have all learnt about Dr Roberts – Bridport's best-known physician who championed health among the town's poor in the late 18th century.

The collaboration between the youngsters and the town's more established representatives produced a variety of artwork inspired by Dr Roberts and the theme of wellbeing.

The Arts Council of England-funded project was led by three local artists: Eileen Haste, Sarah Butterworth and Nancy Cleman.

There are three main installations. Firstly, a 'chemist's shop' called 'Ointments and Placebos' displaying bottles of imaginary potions in the museum window and inside made by some of the

children. There are more imaginary potions made by members of Harbour House and Chancery House with some oral history reminiscences about medicines they had as children.

Lastly, there is a shadow puppet play (some of which is imaginary) about Dr Roberts in a 'cabinet of curiosity'.

You can see the film on the museum website [www.bridportmuseum.co.uk](http://www.bridportmuseum.co.uk)

Neither the name of the current buyer nor the price paid for the building will be revealed until after the deal is completed.

Mentors recognised for role  
in tackling alcohol abuse

**LEADING** local organisations have celebrated the role of mentors as a new scheme is launched to tackle alcohol misuse among older people.

EDP Drug and Alcohol Services (EDP) – described by one beneficiary as "a stepping stone back into employment and structure" – praised the mentors at the Zone Elderly Alcohol Project (ZeAP) launch in Bridport Town Hall.

The ZeAP scheme is backed by Bridport Lions who presented a cheque to EDP to the tune of £2,200.

EDP works with people across Dorset and Devon who have, or are affected by, drug and alcohol problems.

Those at the event heard how mentors recovering from drug or alcohol problems gained skills to support others by completing EDP programmes.

With offices in Bridport, Blandford Forum, Christchurch, Gillingham, Swanage and Weymouth, alongside satellite services in other areas, EDP offers help throughout the county.

The event was a chance to celebrate people completing the

Peer Support Programme, undertaken by those in recovery, and the Peer Mentoring Programme which is offered to those who no longer rely on drugs and alcohol.

Mentors receive training, ongoing supervision and the opportunity to carry out duties alongside paid staff and volunteers, gaining experience which they can use to apply for jobs in this field.

Ian McQueen, chairman of the Board of Trustees for EDP, praised the work of EDP in Dorset, claiming it was a 'shining light' for the organisation, with an 80 per cent recovery rate, compared with the national rate of 47 per cent.

He also thanked the West Dorset Lions Clubs for their support which made the day of celebration possible.

Fran Hawkins of Dorset Healthcare also supported the mentors saying: "The most powerful intervention anyone can offer is support."

She told the graduates: "You have the most powerful tool kit anyone could have."

A number of the graduates then

shared their story of recovery and the part that EDP played in supporting them.

One graduate said that "EDP was a stepping stone back into employment and structure."

For more information regarding EDP Drug and Alcohol Services, the ZeAP project or the Mentoring Programme in Dorset, contact Joseph Olubodun on 01308 427195 or josepholubodun@edp.org.uk.

# NHS Dorset Telehealth team shortlisted for national award

DORSET NHS commissioners have been shortlisted in a national awards scheme.

The HSJ Efficiency Awards – run by industry magazine Health Service Journal – have highlighted the Telehealth team of NHS Dorset Clinical Commissioning Group (DCCG).

DCG replaced the

Dorset Primary Care Trust last year as part of the nationwide shake up of how the NHS delivers services in the UK.

Dorset was shortlisted in the Efficiency in Telehealth Solutions category.

Telehealth is a scheme designed to improve the quality of life of patients with Chronic Obstructive

Pulmonary Disease and Chronic Heart Failure through self awareness and self management of their condition.

The initiative aims to reduce emergency admissions to hospital due to these specific conditions. The team recently saw their 300th local patient subscribe to the service.

The final judging will take place in London on Wednesday, July 10th, when the team will be required to present the project to the panel and take part in a 15 minute question and answer session.

The results of the judging and announcement of the awards will be revealed in late September.

Director of Service Delivery, Jane Pike, said “I would like to give my congratulations to the Telehealth team who have

worked extremely hard on the project and fully deserve this recognition. I would also like to wish them every success in the judging next month”.

Dr Richard Holmes – clinical lead for the General Medical Clinical Commissioning Programme with NHS Dorset CCG – said “We hope more and more people will appreciate the benefits [Telehealth] offers both in terms of saving time and reducing travel, particularly for

those people who are less mobile.

“Once installed, the Telehealth equipment is extremely easy to use, and so far feedback from patients has been very positive.

“I would like to congratulate the team for the recognition they have received by being shortlisted for this national award”.

Further information on Telehealth is available via the NHS Dorset CCG web site [www.dorsetccg.nhs.uk/services/telehealth.htm](http://www.dorsetccg.nhs.uk/services/telehealth.htm)

# THE ADMIRAL HOOD

**Mosterton, Beaminster, DT8 3HJ • 01308 868338**

## Celebrating its one year opening this weekend

**T**he Admiral Hood in Mosterton, near Beaminster, is celebrating its one year opening, this weekend on Saturday 22nd, and Sunday 23rd June.

The celebrations will include a beer festival, with 6 real ales and 4 local ciders on offer. Entertainment will include live music on both nights with Ollie Days on Saturday night, and Martha's Vinyard on Sunday afternoon, playing from 4-6:30pm. It promises to be a day of great fun

and everybody is welcome!

The Admiral Hood is a family run pub, managed by Kath, who took over the pub a year ago, after having been at the George Hotel in Crewkerne for 25 years. Kath has brought her experience from working in the kitchen to the Admiral Hood who now pride themselves on offering good, honest, pub grub!

Kath has completely transformed the pub in her first year in charge, and it has now re-established itself as a lovely pub in the heart of the village. It's been re-wired, with new fire and burglar alarm systems installed, new gents and ladies toilets, a complete re-vamp of the kitchen, and the beer garden brought back up to standard with a patio heater, and a brand new sheltered area specifically for smokers.

Kath has also installed a

▲ The new, improved beer garden, which includes a sheltered smoking area

new carvery unit and recently introduced a Sunday Carvery, which is served all day, every Sunday from 12-8pm. For just £7.95 there

is a choice of three meats, and can help yourself to freshly prepared vegetables, roast potatoes, and all the trimmings. If you wish to make it a two or three course meal you can pay a little extra and do so with a choice of starters, and a home made dessert, many of which are tempting on display in the dessert fridge

next to the carvery unit!

Thursday night is Pie Night at The Admiral Hood, where for just £6 you can have a freshly made pie or hotpot, and again help yourself to vegetables and potatoes from the carvery unit.

Every second Tuesday of the month is the now very popular Quiz night, where half of all the money raised goes to the air ambulance, so come along and test your knowledge, and support a great cause! All three of the above events are very popular so booking is advisable.

The Admiral Hood is open 7 days a week for lunch and dinner, with food served from 12-2pm and 6:30-9pm, and are open all day every Saturday and Sunday.

## Carers pleased with support

A NATIONAL survey of carers has revealed a high level of satisfaction with the support given by Dorset County Council.

Seventy-six per cent of Dorset's carers were "satisfied" with the support and services they receive from the county council and a total of 44 per cent said they were "extremely satisfied."

Nearly 500 carers from Dorset took part in the survey, which is the second national survey of carers carried out by all local authorities in the country on behalf of Department of Health.

Many carers wrote comments to praise the support and services they received.

In particular, carers' training was very much appreciated, as was day centre care for the person they cared for.

Only nine per cent said they were dissatisfied with services from the council.

The aim of the survey was to find out if services received by carers are helping them in their caring role, their life outside of caring, and what carers think of the services for the person they care for.

The vast majority of respondents were females, aged between 30 and 99, many providing over 100 hours per week of unpaid care.

Access to information and advice scored high with more than 75 per cent saying they thought it was easy to find what they were looking for, and 93 per cent had found the information "very" or "quite helpful".

Only a minority of seven per cent did not find the information received help-

ful. Long hours and financial worries are some of the difficulties many carers experience, and some said they had problems accessing respite breaks and emergency care at short notice.

The cost of respite and sitting services was also an issue for many.

Sadly, one in ten carers reported that they did not do anything they themselves valued or enjoyed with their time.

Many also said they had no control over their daily life and had little social contact and felt socially isolated (11 per cent).

Suggestions as to how services could be improved included: more joint working between agencies, better information provision and training (including medicines management), early referrals for support by professionals and help with domestic chores to enable carers to undertake more personal care for their spouse or family member.

The results of the survey will be considered by the Joint Commissioning Board for Children and the Carers Partnership Board.

The report can be found on consultationtracker.dorsetforyou.com/Carersurvey

The Dorset Carers Hub is a new website where carers in Dorset can find out about support and services available across the county.

There are contacts listed for local support groups, meetings and events.

## A helping hand for diabetes team

THE Diabetes Team at Dorset County Hospital have thanked individuals and a service club for donations.

Molly and Fiona Rennie, from Dorchester, and Ian Pye and Chris Males from the Melcombe Regis Rotary Club, were invited to the centre where they were thanked for their generous donations which, in conjunction with other donations to the charitable fund, enabled the department to purchase foot temperature probes and two continuous glucose monitors.

The equipment will help improve the assessment of people with diabetes at the Diabetes Centre.

The temperature probes were bought with the kind donation from Mrs Rennie, a Dorchester councillor, whose late husband John was a patient at the Diabetes Centre.

The temperature probes are used by the Specialist Diabetes Foot team to assess foot temperatures and guide management of the foot complication acute Charcot. Acute Charcot is a rare foot complication, which occurs in people who have nerve damage to the feet and can occur in people who have diabetes.

Acute Charcot initially results in a red, hot, swollen foot which may be painless.

After diagnosis treatment involves not putting any pressure on the effected foot until foot temperatures normalise to prevent severe foot deformity, which can result in amputation.

The continuous glucose monitors are used to assess glucose levels in people treated with insulin with erratic glucose levels. The monitor is attached to the person with diabetes for a few days to uncover patterns in glucose levels that are not apparent with the routine finger prick capillary glucose testing and information is used to guide adjustment of insulin doses.

Charitable donations to the hospital fund extra items, which the NHS does not provide.

The Diabetes Team and Chief Executive would like to thank donors to the Diabetes Charitable Fund who have made these purchases possible.

■ GOOD weather attracted hundreds to the mini music festival in Dorchester's Borough Gardens.

The Forever Sun free event, sponsored by Dorchester Town Council, promoted a line-up of bands throughout the day. Weekend music continues in the Gardens throughout the summer in a range of styles from big band to rock.

BRIDPORT enhanced its growing reputation as a destination for food lovers with a week of events courtesy of the tenth Bridport Food Festival.

Demonstrations, special menus, cookery classes and farm visits kept the most discerning gourmet happy throughout the week, while record numbers swarmed to the main event on Saturday.

The unsettled weather had forced a planned mid-week celebration of al fresco dining off the menu but the sun came out for the festival's main course in Asker's Meadow.

After last year's wind-affected fixture, the sunshine was a welcome change for the hundreds who perused stalls for delicacies, enjoyed meals from the range of hot food outlets or picked up tips from experts at the string of demonstrations.

Children were kept happy with a dedicated tent where they could make a smoothie through pedal power alone.

The festivities even featured an appearance from leading British actress Emily Watson – the Academy Award nominated star of 'Breaking The Waves' and 'War Horse' was holidaying in the area with her family.

Meanwhile the Bridport Round Table's ever-popular beer festival offered the thirsty a choice of over 60 ales and 20 ciders with a host of local musicians on hand to serenade the tipplers.

As a showcase for high quality food producers the event is matchless in the West Dorset calendar, and with many stallholders reporting brisk trade both at the festival and in the day-to-day running of their businesses, it would appear the sector is as healthy

■ **Face-painted youngsters enjoy the event**

as the produce at its heart.

Bridport Food Group chairman, Amanda Streatfeild, described the festival as "a true celebration of local food and drink."

She added: "It is very much a community event run entirely by volunteers with support by local businesses."

"It is wonderful to see that all their hard work and commitment has been awarded with the best ever festival."

"Thank you to everyone who has helped to showcase Bridport as an outstanding place for food and drink."

"A special thank you must go to Daryl Chambers and his team from the Bridport Town Council who have worked behind the scenes to get the site and Bridport ready."

■ THE Bridport Food Festival Moores Biscuits Wooden Nickel Prize Draw winning numbers have been announced.

The holders of numbers 1155, 1073 and 1165 each win a hamper donated by Moores Biscuits.

Winners please call Kathy Dare on 07866 423581. If you have not been lucky this time, please hold on to your wooden nickel as if a hamper is not claimed it will be either redrawn or rewarded on a first come basis.

## Lyme Boat Building Academy

**THE** Boat Building Academy's training is world famous. Students on the celebrated 38 week course go on to work all over the world, most are employed before they graduate. The Academy, which specialises in full-time, highly practical courses for people who are absolute beginners or who have a little experience, has now developed a new, Level 3 'Woodworking Skills incorporating Furniture Design and Making' course, which will launch in September this year. Principal Yvonne Green says 'We are all very excited about the 12 week course. It is exclusive to the Academy and while we are sure its graduates will be as successful in finding employment as those of the boat building training, the course is also appropriate for people who want to raise a hobby to a new level of skill, or just want to spend some time enjoying working with wood and making something for their home'.

For anyone who hasn't got 12 or 38 weeks to devote to training, the Academy also runs a programme of short courses, both at Monmouth Beach in Lyme Regis and at the National Maritime Museum Cornwall in Falmouth. The courses are also 'hands-on' and last for two to five days.

Whether you want to try woodworking, take a hobby to a different level, start a new career or just spend time on the beach learning a new skill the people at the Boat Building Academy are always happy to discuss which course is right for you.

## BARBARA'S BACK IN THE HUNT AT 115 CLUB

Duo set to bring the inaugural event to a close

115 CLUB have stunned the audience again, Sarah Prichard, Ray D'inverno and Pete Maxfield gave a fabulous and perfect evening of pure musical indulgence. Sarah was divine, the voice superb, Ray was as only could have been expected immaculate on the keys and Pete, well what else can be said, but his bass licks and harmonious timing creating the perfect backing to complete this wonderful line up.

On Thursday, June 20<sup>th</sup>, Pete returns, this time to add his faultless bass to Barbara J Hunt's soulful and pure vocals. Having played at 115 before, Barbara knows exactly what makes the audience swoon, this time though bringing fresh new material mixed in with her classics such as "King of my Heart" just one of her stunning tracks featured in films, this one having been a key part

of the British film "Confetti". Clearly Barbara's voice is equal in quality to one of her most inspirational individuals, Joni Mitchell.

When Barbara last performed at 115 Club to a packed house, they applauded with huge appreciation, enjoying every moment of her style and performance. Barbara is a stunning musician, offering soul, folk & a little jazz, with her beautiful vocals lighting up the subtle illumination of the 115 Clubs cellar environment.

115 Club always ensures a wonderful evening is had by all. The intimacy of this cosy cellar setting guarantees the mood is set for an exclusive evening of entertainment.

## THE WEDDING PRESENT TO MAKE THEIR BRIDPORT DEBUT

Indie legends will be joined by Japanese group Taffy

LEGENDARY British indie band The Wedding Present will be making their Bridport debut at the Electric Palace on Friday 12th July as part of their new seaside tour. The band will perform their seminal album 'George Best' in its entirety along with other greatest hits and new material.

The Wedding Present have a total of eighteen UK Top-40 singles and in 1992 equalled Elvis Presley's record for scoring the most top 30 hits in 12 months... not bad for a band that has, from its inception, stubbornly refused to play

the record industry's game.

Throughout their career the band have acquired a reputation for bittersweet, breathtakingly honest love songs immersed in whirlwind guitars. A style which led the legendary John Peel to declare: "The boy Gedge has written some of the best love songs of the Rock 'n' Roll Era. You may dispute this, but I'm right and you're wrong!"

Tickets for this rare show in the beautiful setting of the Electric Palace are on sale now from Bridport TIC: 01308 424901 and are selling fast!

## THE CHRISTIANS HEAD TO BRIDPORT AT THE 'SPEED OF LIFE'

THE Christians, the outstanding soul-influenced group who had hits in the late 80's and 90's including 'Forgotten Town', 'Harvest For The World', 'Born Again', 'Ideal World', and 'Hooverville', are celebrating their 26th anniversary with a date at Bridport's Electric Palace on Thursday 18th July, to coincide with the release of their brand new album 'Speed Of Life', plus Deluxe Anniversary editions of their first two multi-million-selling albums The Christians and Colour.

The Christians followed up their 1987 self-titled million-selling debut album with the number one hit album 'Colour' in 1990, which heralded the magnificent tracks 'Words' and 'Father', while The Daily Mirror described the voice of Garry Christian as "the best voice of the decade".

The Christians play Bridport's Electric Palace on Thursday, July 18th, doors open 7pm.

Tickets cost £16 (plus booking fee) in advance, available from Bridport TIC (01308 424901) and seetickets.com. Tickets on the door will cost £18.

## Cantamus concert

WEST Dorset choir Cantamus will give an afternoon concert in the chapel at Forde Abbey on Saturday, June 22. The programme, 'Songs for a summer's evening', includes a beautiful blend of early sacred and secular music, British and European folk songs and a new arrangement of Gershwin's 'Summertime'.

All the music – chosen by Musical Director Malcolm Knowles – is appropriate to the summer season, with languid complaints of unrequited love, a jolly drinking round and even a few animal noises. The first half of the programme is made up of pieces from the 16th and 17th centuries, and includes two emotional madrigals by the English Renaissance composer John Dowland, two lively works by Monteverdi and songs by three French writers, Arbeau, Passereau and Rameau. The second half offers an assortment of later music, with three folk songs arranged by Vaughan Williams, a fun, operatic offering from the little-known English composer Reginald Spofforth, and the traditional 'Keel Row'. In a first for the choir, the programme also includes a piano duet.

The concert at Forde Abbey begins at 4.30pm. Tickets cost £10 and will be available on the door.

For more information please visit [www.cantamus-dorset.org](http://www.cantamus-dorset.org)

## Elegant Downton Abbey treat at Electric Palace

DOWNTON Abbey fans needn't wait until the return of the series in the autumn for news of the Crawley family. Creator of the show Julian Fellowes will be appearing at the Electric Palace on Friday, June 28th and may be persuaded to spill the beans about the death of Matthew, the fate of Lady Mary – and working with the formidable Maggie Smith.

The evening will start in true Downton style with canapés served in the elegant 1920s splendour of the Electric Palace. Lord Fellowes, a patron of the Palace, will then give one of his witty and entertaining trademark talks about life in the world of theatre and film. In his time, he has been actor, novelist, film director, producer and screenwriter, so he has plenty of material to draw from. Highlights have included winning an Oscar for the screenplay of Gosford Park, directed by Robert Altman in 2002, and hitting the best-seller lists with his novel 'Snobs' in 2004. It focused on the social nuances of the upper class for which he used his knowledge of society to paint a detailed portrait of the behaviour and snobbery of the upper class.

Together with his wife Emma, Lord Fellowes will devote much of the evening to answering questions

from the audience. So now is your chance to find out, not just about life behind the scenes of an early twentieth century fictional country house, but also the Fellowes' take on the class system in contemporary Britain.

The elegant theme for the night's entertainment will carry through to the end of the evening with dancing to the Grainger String Quartet playing music of the era. For those who love dressing up and having a thoroughly enjoyable night out, this is the perfect occasion. "We're hoping everyone can throw themselves into the spirit of the event and come suitably attired, Downton-style", says Electric Palace owner Peter Hitchin, "there'll be prizes for the best dressed members of the audience."

An Evening with Julian Fellowes is at the Electric Palace Friday 28 June – doors open at 7pm, starts at 7:45pm. Advance tickets are available from Bridport TIC: 01308 424901 / [www.seetickets.com](http://www.seetickets.com) and include canapés. Prices are £8 +bf for Electric Palace Friends, otherwise £11 +bf in advance or £13 on the door. All money raised goes towards supporting the Electric Palace.

## Roof Fund gets off to a flying start!

FOLLOWING two superb fundraising events at the Marine Theatre, the theatre's 'Raise the Roof!' fund has made a brilliant start.

Mark Hix's Crab Feast, which took place on Wednesday, June 12th and was both a culinary and fundraising success, raised £1,487.01. Mark Hix, who has long shown his support for the theatre (He rated it as one his favourite places in his Guardian article 'Mark Hix's Dorset'), has organised a second culinary event to help

raise funds for the theatre roof. The Mackerel Spotlight Discussion and Feast, which is set to be as insightful and gastronomically delightful as the Crab Feast, will take place at the Marine Theatre on Wednesday 10 July 2013 from 6.30 pm. The discussion and the feast are separately ticketed and are available from the Tourist Information Centre (01297 442 138) and online at [www.marinetheatre.com](http://www.marinetheatre.com).

The Echoes, who have also expressed their fondness for the

Marine Theatre as a local venue, performed an evening of rock and roll covers on Friday, June 7th. The proceeds from this fantastic evening totalled £757.72.

Theatre Director, Tim Bell said 'We would like to say an enormously big thank you to Mark Hix and all of his team and The Echoes for organising these events to raise funds for our roof campaign. It has been a brilliant start to the 'Raise the Roof!' fund – watch this space for more to follow!'

# ENERGISE

Stay fit and healthy in West Dorset

Over a twelve week period **Energise** will track the progress of Rob's personal fitness training at Bridport Leisure Centre.

## Week Two

INITIALLY we asked Rob to fill out a 7 day diet diary. By looking at what Rob was consuming, we can adjust his diet to ensure he is consuming foods that contain enough fuel for his exercise regime and aid his weight loss:

### Before Diet Consultation

**8.00am:** A large full English Breakfast and a large coffee  
No Lunch

**7.00pm:** A large pepperoni pizza, fried chicken wings and chips and 3 large glasses of wine

### After Diet Consultation

**8.00am:** 120ml Aloe Vera, one small bowl of porridge, 2 x boiled eggs and 500ml of water

**12.00pm:** One seasoned chicken breast, salad, wholemeal pasta, olive oil and 500ml of water  
Before workout 2 x bee pollen tablets to increase energy levels

**3.00pm** Workout followed by a Forever Ultra Lean Protein Shake with skimmed milk

**7.00pm:** Salmon, broccoli, sweet potato mash and 500ml of water

As you can see from the diet above, Rob is consuming a lot of fried foods causing his diet to be high in saturated and hydrogenated fats which are bad for the body. Water is also non-existent in his diet and by not eating regular meals, he is encouraging his body to store fats.

To start an effective weight loss programme we first needed to detoxify Rob's body and improve his absorption of nutrients. We started Rob on the Forever Clean 9 Detox Programme which focused on putting natural nutrients back into his body.

Following on from the detox programme, Rob's diet has been given an overhaul. The new diet is full of good proteins such as salmon and chicken, which will help Rob to build lean muscle and keep him feeling fuller for longer. We have changed the type of carbohydrates he eats to sweet potato and wholemeal pasta, which will give him a steady supply of energy throughout the day. The protein shake after his workout will help him recover for his next exercise session.

To keep updated on Robs progress Like the Forever Aspire Health and Fitness page on Facebook

## Tip of the Week

Staying hydrated and eating regular small healthy meals during the day helps the body burn more calories.

## Rummage Theatre's new play gets Weymouth College performance

RUMMAGE Theatre is premiering its new play, *Captive Minds*, in the Bay Theatre at Weymouth College tonight (June 20th) at 7.30pm.

The play introduces the audience to Amy, a troubled young woman who spent her teenage years in foster care. Her older sister, Beth, is trying to rebuild their broken relationship, but Amy is more concerned with Adam who is in prison for life for brutally murdering nine women.

Meanwhile, Adam is preoccupied with playing games with his ambitious psychologist, Emily. How far will Emily go for professional recognition? Can Adam be the influence to change these people's lives? Is it possible for a psychopath to be the catalyst for good?

*Captive Minds* journeys into the dark world of obsession, exploring the morbidity of the human psy-

che and the charm of a damaged soul.

Members of Rummage Theatre say they are passionate about writing new thought provoking theatre that is inspired by real life events, thriving on creating drama that will question moral convictions and challenge social preconceptions.

Their first play, *Cleansed*, which was based on the Magdalene laundries was well received at the Edinburgh Fringe Festival, achieving four stars from critics.

Rummage Theatre are now set to debut *Captive Minds* at the Bay Theatre, Weymouth College tonight. Tickets are £8, £6 concessions and can be booked by calling the Box Office on 01305 208702.

All proceeds from the show will go towards funding their second trip to the Edinburgh Fringe Festival in August this year.

# Thrilling dance and circus skills come to Dorchester and Poole

## Ordures et Ménagère (Mr and Mrs Anybody)

IN a unique collaboration, Lighthouse, Poole's Centre for the Arts, and Dorchester Arts have teamed up to present the physically adept young French circus company Hors Pistes, at Dorchester's Corn Exchange Thursday, June 27th and at the Lighthouse, Poole, Friday, June 28th, with Ordures et Ménagère, a comic and high energy show using everyday objects and featuring incredible acrobatics, ladders, dance, teeterboard and stunts.

Ordures et Ménagère is the story of Mr. and Mrs. Anybody... quiet life, nice routine. But things aren't always as they seem. No more routine for these characters as logic is rethought, new uses are found for everyday objects and fantasies are intensified. Their story becomes a comic spectacle where suddenly you can see who they really are. It's the circus of their lives...

This is circus performed at its best, with risk, exploit, prowess and a pinch of eccentricity, and promises to be a show full of thrilling dance and circus skills, brilliant choreography and catchy tunes.

The show is a co-promotion with Lighthouse in partnership with Activate Performing Arts in Dorset, Farnham Maltings in Surrey and SeaChange Arts in East Anglia (UK); and La Breche in Cherbourg, Conseil General de la Manche in

Upper Normandy, Cirque Jules Verne in Amiens and La Renaissance in Caen (France)

Ordures et Menagere is part of 'PASS' - a European project over 3 years, from 2012 to 2014, which sees these eight organisations working together on circus arts with common goals: production, touring and training.

The project PASS - Circus Channel was selected under the European Cross-Border Cooperation Programme INTERREG IV A France (Channel) - England, co-funded by the ERDF.

Bristol Old Vic Theatre School Present  
MOONFLEET

SMUGGLERS, shipwrecks, a haunted crypt, hidden treasure, vengeance and enduring love are the ingredients of J. Meade Falkner's classic tale Moonfleet, brought vividly to life in Bristol Old Vic Theatre School's latest West Country touring production.

Set on the Dorset coast in the village of Moonfleet, orphan John Trenchard is captivated by the story of the ghostly Blackbeard and his lost treasure. His search leads him to high adventure with smugglers, the revenue men, and eventually to love.

As gripping a yarn as Treasure Island, Moonfleet has enthralled generations with its fast-moving and breathtaking drama. This is a new, literary adaptation written especially for Bristol Old Vic Theatre School and with an original score by Tim Laycock.

Moonfleet will be performed at Bridport Arts Centre on Friday, June 21st, at 8pm. Marketing Manager Lisa Wilcock said: "Bristol Old Vic Theatre School's annual performance is a real highlight of the Arts Centre's calendar. Come along and watch the stars of tomorrow perform a well loved story".

£12, Members £11, Concessions £10/ 20 x Super £3 concession tickets for people receiving benefits. Tickets are available from Bridport Arts Centre's box office: 01308 424204 or online at www.bridport-arts.com.

## Ford commercial vehicles are the speedy choice

FORD is supplying 400 new commercial vehicles to Speedy, the UK's leading provider of equipment rental and support services. This latest Ford order is worth in excess of £8.6 million and marks an 18-year association between the companies.

The Speedy order – comprising 380 Ford Transit vans, including new Transit Custom models, and 20 Ford Ranger pick-ups – will be operated through 283 fixed Speedy sites throughout the UK.

Karen Nixon, Ford UK regional fleet manager, said: "This 400-vehicle order from Speedy is testament to the reliability of Ford's award-winning commercial vehicle range and evidence of the outstanding commitment Ford makes to its fleet customers. Ford's on-going investment in low-CO2 technology is helping companies like Speedy in their quest for lower whole life vehicle costs."

As with all of Speedy's

fleet, the new Ford vehicles will be fitted with telematic equipment to provide comprehensive reporting of driver behaviour, in an effort to encourage improved fuel economy and reduced CO2 emissions.

Speedy logistics director Richard Martin said: "Our fleet is an extension of our company brand so it is important that we choose the right vehicles to meet our customers' needs and requirements. Speedy operates through a large network of depots covering the whole of the UK and these Ford vehicles will be vital to transport assets and equipment."

# New Leaf: less charge

NOW available from just £189 per month, the all-new 100 per cent electric Nissan LEAF is more affordable than ever.

This incredible monthly payment is for customers who decide to buy an entry-level LEAF Visia at just £15,990 (after receipt of the Government's £5,000 plug-in grant) on the "Flex" battery lease scheme, and includes the cost of the monthly battery lease.

Built in Britain, the second generation of the world's bestselling all-electric car features more than 100 improvements over its predecessor – including an extended range and faster charging times – but with three new trim grades and a flexible new pricing structure, getting behind the wheel is more affordable than ever.

Under LEAF Flex, the battery leasing arrangement is conveniently built-in to the financing package, bringing prices down and making monthly payments more manageable.

After a £4,083 customer deposit and a Nissan contribution of £1600, a LEAF Visia Flex customer pays 36 monthly payments of £119, plus £70 per month for the monthly battery lease on a 7,500 miles-per-annum contract. At the end of the three-year term, they either make a one-off final payment of £7905 to complete

the purchase of the car and continue to pay the monthly battery lease for as long as they retain ownership, or hand back the vehicle.

With the same deposit, the LEAF Flex battery lease scheme brings the monthly cost of the LEAF Acenta down to £239 and the highly equipped LEAF Tekna to £289.

Those choosing to buy the car with the battery included using the PCP financing option will pay the same deposit followed by 36 monthly payments of £229 for the Visia, £279 for the Acenta, and £329 for the LEAF Tekna. At the end of the three-year term, they either hand back the keys or make a one-off final payment to complete the purchase, with no further battery leasing payments required.

Customers buying a LEAF outright will find prices are now even more attractive. The entry-level LEAF Visia can be driven away for just £20,990 after the £5,000 Plug-In Car Grant, while the higher specification LEAF Acenta is available for £23,490 on-the-road and the range-topping LEAF Tekna – which features a sumptuous leather interior and a state-of-the-art Bose sound system – is keenly priced at £25,490.

All in all that means many more drivers will be able to enjoy the exceptional benefits of zero-emission motoring offered by the trailblazing

LEAF. These include running costs of just two pence per mile, exemption from Vehicle Excise Duty and, for drivers in and around London, freedom from the £10 a day levy to drive in the capital.

What's more, the introduction of three distinct trim levels and an array of options now give LEAF buyers the same choice and flexibility as those opting for any conventionally-powered family hatchback.

Jon Pollock, Sales Director at Nissan Motor (GB) Limited, said: "We're expecting the new LEAF to be a big

hit with UK motorists. The car itself is vastly improved on the already impressive original, but the new pricing structure makes the LEAF an even more attractive option.

"When you factor in fuel savings plus exemption from road tax and the London congestion charge it's clear to see that making the switch to a LEAF could very quickly pay for itself."

Renault offers free insurance on  
Twingo and specific Clio versions

FROM last Friday (June, 7th), Renault is offering free insurance, worth potentially thousands of pounds, to retail buyers of its Twingo and 1.2-litre petrol-engined Clios. The summer promotion, giving a year's free insurance to up to two drivers, is available with all orders purchased via RCI Financial Services 'Selections' PCP (Personal Contract Plan).

On a Clio Expression 1.2 16V 75 for example, worth £10,595 on-the-road, the customer offer with 12 months free insurance would work out as deposit of £1,800, and monthly payments £149 per month (8.9% APR) over a four-year contract.

For its smaller sibling, Twingo Dynamique, with the same engine, the figures are just as appealing. From as low as £99 per month over four years, based on £10,550 on-the-road price, with initial deposit of £3,596 (9% APR).

The offer applies to all 1.2-litre engined Clios (Expression, Expression+ and Dynamique MediaNav), plus Twingo Dynamique 1.2 16V 75, for retail orders placed between 7th

and 30th June and registered by 30th June 2013 (31st October on Expression). On top of this, each order also qualifies for Renault's 4+ included package, worth £1,000, giving free four years /100,000 miles warranty, routine servicing and roadside assistance.

The 12 months free insurance is through Renault Insurance for both

the driver and one additional named driver. Full terms and conditions are available at [www.renault.co.uk/insuranceoffer](http://www.renault.co.uk/insuranceoffer). Among the stipulations are, it's open to buyers aged 21-70, private individuals only, with a minimum of three years current, full UK or EU licence, plus three years no claims bonus.

## Bowls round-up

# Good win for Bridport over county town

### BRIDPORT BC

IN the men's County League Division One Bridport achieved a good result at Dorchester, beating the home team 54-50.

Stars of the evening were Barry Shortland, Keith Brooks, Brian Conisbee and Chris Thorne who came from one shot behind to win six of the last seven ends to finish 23-15. The rink of Ben Jones, Brian Iversen, Keith Gentry and Bill Payne maintained a lead throughout and won 17-16.

In Division Two the game between Bridport A and Bridport B was won by the former 64-47 with Fred Pomeroy, Max Dare, Peter Scott and Ken Sanger beating Brian Pratt, Bill Fox, Philip Hedges and Philip Wilson winning 31-14, and David Gundry, John Ireland, John Carter and Allen Bird getting the better of David Hocking, David Aylott, Mike Higman and Mel Griffiths 20-14.

Sam Dunn, Ken Caldwell, Norman Ludders and Alan Cowdrey struck back for the B team beating Craig Bosher, Billy Street, Paul Tibble and Derek Hoskins winning 19-13.

The men are not having much luck in the South Dorset League; the B team losing to Greenhill A 40-72 and the C team going down to

Wellworthy B 56-73; and the ladies are finding the County League hard going losing to Poole Park 42-72 and Wellworthy 42-67.

Bridport entertained tourists from Watford and District in an eight rink friendly winning 166-91 with Alan Skelton, Peter Billett, Brian Iversen and Brian Rumble claiming top rink with a 33-4 success but the club had to accept second best against S W Umpires who won 134-87.

Praise must be accorded to club member Ben Jones, playing in a County singles competition at Dorchester, who came back from 8-20 behind to win 21-20.

### LYME REGIS BC with Paul Moffitt

With no games played at all in the leagues, due to either the weather or postponements.

Just one friendly was played against the Thorneycroft BCTourists, with Lyme winning on six out of the seven rinks.

The ladies managed to take all six points away at Sherborne in the Edna Paisley League.

I've been notified that two Lyme teams have made it through to the quarter-finals of their respective County competitions. Firstly, Kathy Clissold & Margaret Bartlett are through in the pairs

and Bob McLennan, Brian Parsons & Dave Wood are through in the triples.

**Result: LYME REGIS 159 THORNEYCROFT BC 110**

**BRIDPORT INDOOR** with Brian Baker  
BRIDPORT Gun Dogs were no match for Poole's Dolphins or Clarrie Dunbar (Frome) in the last two National Famous Five matches writes Brian Baker.

Against the Dolphins, Sue Walsh lost the singles, Mike Long, Brian Walsh and Millie Meech went down in the Triples, while the same three, plus Edna Cumberland, lost the Fours.

The only two points came from Sue Walsh and Cumberland winning the Pairs.

Walsh and Cumberland were the points winner's again against Clarrie Dunbar, Bridport once again losing the Singles, Triples and Fours.

Clives Baynes, Beryl Stork and Martin Grier's

Team H were the big winners in the Evening League, 20-6 up against Team F.

Vivienne and Roy Gill and Brian Baker's Team D are still unbeaten, defeating Team K 18-9. Brian Burridge, Kevin Moyes and Mike Fletcher had their best win 20-11 over Team L.

A 1, 5, 3 finish by Team A gave them a 19-8 win over Team B. Sue Pollack, Robin Pither and Liz Walker's Team E finished 2, 2 to draw 16-16 with Darren Simpson, Pat Geary and Andy Marsh's Team J.

Penny Pither, Tony Harrison and Mike Long's Team F stormed into a 18-0 lead against Team B in the Morning League, finally winning 23-5.

Ruby and Bernard Winton and Pete Cowburn's Team D scored a six on the final end to beat Team H 18-13.

Brian Toms, Robin Pither and Adrian Legg's Team G beat Team A 14-4, whilst Ruth Harris, Peter Hawkett and Chris Everest's Team C finished 2, 1 to draw with Tony Hutchinson, Brian Walsh and Mary Hansford's Team J 10-10.

The club held their Presentation Night recently where Ann Turtell was presented with the Champion Singles trophy from Harry Black, and Annie Legg and Edna Cumberland the Ladies Pairs trophy.

## Bridport Skittles

# Just Jestin' not making it up!

WHEN it comes to winning table skittles titles, Just Jestin' from the Ropemakers are serious, as they proved by winning Division A of the Bridport Table Skittles League.

They were presented with their awards at the recent presentation evening held at the Beehive together with the Beer Cup.

Runners-up were Crown Duels of the Crown, West Bay Road, but they did win the Winter Cup and the Team Nominations.

Lord Nelson teams Nelsons Novices and Nelsons Shadows had to settle for runners-up in Division B and C with Five of Clubs from Bradpole Club, and Consorts from the Conservative Club respectively taking the title.

## New President at Lyme Regis FC

LIFE member Philip Evans has been elected President of Lyme Regis Football Club to succeed the late Barbara Austin.

Mr Evans became the 15th President in 128 years of history at the club's annual meeting. His election coincides with the 50th anniversary of his connection with the club, having played his first game for the Seaside in 1963.

Mr Evans was made a life member of the club after serving as chairman for ten years during which time he fronted the unsuccessful attempt to secure new playing facilities at the Strawberry Field. He was also honoured by Dorset Football Association for services to grassroots football.

After his election last week, Mr Evans said: "I am honoured to succeed Barbara Austin and will follow her example in not interfering with the day-to-day running of the club but to offer any help and advice where necessary and to continue helping the club with fundraising."

Another former player, Martin Rowe, has rejoined the committee.

In his annual report chairman Howard Lacombe said the club had enjoyed another good season, winning the Dorset Intermediate Cup, reaching two other cup finals and

finishing runners-up in the Perry Street League Premier division.

But their ability to complete the Davey Fort refurbishment programme had been hindered by going 13 weeks without a match at the Davey Fort due to the weather which had impacted on bar takings.

Mr Lacombe also announced that manager Karl Diment had stood down due to personal reasons and a special committee meeting would be called on Thursday to discuss the vacancy.

Darren Poole and Mark Hodder, assisted by Jim Lacombe, will take over the Bantams from Chris Simpson who plans to continue as a player.

Officers re-elected were: chairman – Howard Lacombe; vice-chairman – Gerard Hitchcock; secretary – Robert Thom; treasurer – Teresa Evemy; minutes secretary – Francesca Evans. Committee: Alistair Rattenbury, Tim Edwards, Mark Bailey, Ken Howells, Heather Lacombe, Adam Caddy, Ben Whittington, Julia Durrant, Stuart Fowler, Luke Clifton, Chris Simpson, Martin Rowe.

## Another exceptional display by Colfox athletes

ATHLETES from The Sir John Colfox School once again produced an exceptional string of results in the recent Dorset County Schools Championships held at Kings Park, Bournemouth recently.

Of the 22 chosen to represent West Dorset, five won county titles and another nine were runners-up.

The outstanding performance was by Ryan Smith who achieved the English Schools standard in winning the Inter Boys discus.

The four other county champions are Aiden Daniels (Year 7 Long Jump), Will Bowen-Ashwin (Inter Boys Hammer), Lucy Fry (Inter Girls Discus) and Kirsty Wickham (Senior Girls Hurdles).

The other nine who finished second in their event and with the five champions have been selected to represent Dorset at the South West Schools Championships in Exeter are:

Honor Slade (Inter Girls Hammer), Tom Crabtree (Year 7 800m), Eva Bowring (Junior Girls Javelin), Grace Butt (Junior Girls 100m), Amy Lambert (Year 7 Shot), Harry Tuck (Year 7 Hurdles), Todd Langdin (Junior Boys Triple Jump), Dane James (Junior Boys Javelin) and Liam Tuck (Junior Boys Discus).

Coach Andy David said: "It was a fantastic day and everyone performed really well, and there were some exceptional results."

## Weymouth claim bragging rights after comfortable win

WEYMOUTH claimed bragging rights with an easy seven wicket victory over Dorchester that leaves the county town rooted to the bottom of the Premier League.

Martinstown's early assault on Division One is waning. They were beaten by Bere Regis, their third defeat in four games, all against the top three sides.

Dorchester 2nds won again to take over second place in Division Three, while Weymouth 2nds finally got their first victory of the season, at the seventh attempt, relegating Winton 2nds to bottom spot in the process.

#### Dorset Funeral Plan League Premier League

##### DORCHESTER 175-8 LOST TO WEYMOUTH 176-3 BY 7 WICKETS

WEYMOUTH took the honours in the first of the two derby games this season winning easily at the Rec by seven wickets and over seven overs to spare in a game reduced to 45 overs a side due to rain.

Weymouth skipper Matt Lawes (2-38) drew first blood when Dorchester batted, bowling Pete Moxom (5) with 11 on the board.

Despite a wonderful display by opening bowler Dave Trotter who bowling into the wind conceded just ten runs in his nine overs, opener Quneton Miller (43) and Will Caldwell (64) had appeared to have put Dorchester on the way to a decent total with a stand of 83 for the second wicket.

But the dismissal of Miller by Paul Payne (2-31), Steve Gerety (3) and Dan Belt (2), they slumped to 108-4. Sam Goodhew then joined Caldwell and they took the score past the 150 mark before Caldwell was finally out, caught and bowled by Lawes.

Jim Ryall then entered the fray with 2-5 off two overs as Dorchester's batting disintegrated, setting Weymouth a target of 176 to win.

Although Weymouth lost Payne (10) to Belt (2-35) and England (17) to Moxom (1-32), Will McKay and Kieron Womble took control and their third wicket partnership of 109 took them close to victory before Womble was stumped by Sean Fitzgerald off Belt for 64, leaving McKay unbeaten on 57 not out at the end.

#### Division One MARTINSTOWN 171-9 LOST TO BERE REGIS 172-8 BY 2 WICKETS

BERE Regis drew level with Martinstown following this victory.

The start was delayed an hour through rain but home skipper Danny Dancer decided to bat on what still looked a good pitch.

Ed Nichols (30) and Ryan Chase (11) got Martinstown off to a good start with a stand of 43 but Tim Goodhew (4-30) claimed both as well as Henry Lewis (9) to leave them 69-3.

Dancer and Stuart Fry (12) then took the score to 104, but they couldn't accelerate due to some accurate bowling and although Dancer (54) reached his half century no one else contributed many as the innings closed on 171-9 off the allotted 40 overs.

Dancer said: "We got off to a good start again, but lost wickets at regular intervals.

"However, I thought we had set a good base for a flurry at the end but we couldn't quite accelerate due to a mixture of good length bowling and a bit of a tricky pitch. I would

have like 190 or 200."

Martinstown came out fighting when Bere Regis batted, with Fry (0-20) and Chris Read (2-29) bowling excellently and with pace and bounce to keep the run rate down.

Read bagged the openers, both caught by Sam Kershaw, as the visitors struggled to 27-2.

However Richard Cole (66) and David Griffiths (24) led the fight back with a third wicket stand of 59 before Griffiths was run out by Fry.

Dancer (2-14 from 8 overs) and Liam Banfield (3-31) pegged them back and it became but visiting skipper Dean Rogerson won them the match when he edged Banfield for four with ten balls to spare.

Dancer added: "It was a really closely fought match that either side could have won.

"We let them off the hook but after a fantastic spell of bowling from Chris Read and Stu Fry we couldn't keep the intensity up during the middle period and the momentum swung back into their favour.

"I always felt our total was 20-30 runs shy of a good score."

#### Division Two WINTON 2ND 98 ALL OUT LOST TO BEAMINSTER 197-5 BY 99 RUNS

ROSS Baker starred with bat and ball as Beaminster won a tricky match at Winton 2nds.

Skipper Will Everitt said: "We got a call as we neared the normal venue to say that the game had been switched.

"The new wicket had only been cut and rolled that morning in preparation for a future match and as a result was very unpredictable.

"It started okay but got worse as the game progressed and so to get 197 was a good score; we thought 150 was more the standard."

Hugh Rathbone and Fred Everitt, back for his first game of the season, played sensibly and saw the opening bowlers off on the tricky track before Rathbone went for a single after ten overs with 24 on the board.

Simon Jones (4) who has been in superb form this season, for once failed, but Fred was joined by brother Will and they added 42 for the third wicket before Fred (55) was bowled by Hill for a fine half century.

Baker joined his skipper and they then added a fine 96 for the fourth wicket before Everitt (41) perished with Baker finishing unbeaten on 55 not out as Beaminster posted 197-5 off their 45 overs.

No one in the Winton side got to grips with the visiting bowlers, especially Baker who claimed 6-36 from his 12 overs with Dave Percy chipping in with 2-5 at the end. Wickets fell at regular intervals as the hosts were bowled out for 98 with almost 19 overs to spare.

Everitt added: "Ross ran riot. The wicket suited his medium pace line and length and I don't think they scored with a single positive scoring shot, their runs mainly coming from edges.

"We also fielded well, and a mention to Andrew Livingstone who took two good catches."

Everitt felt the manner of the victory will give his side confidence especially with three home games on the trot to come.

"We went into the game confident, and it was a nice for once feeling that you were in control of the game and were going to win with some to spare.

"We all really enjoyed that feeling

and it will give us all confidence."

#### Division Three CATTISTOCK V PORTLAND RED TRIANGLE MATCH CANCELLED - RAIN

#### CERNE VALLEY 207 ALL OUT LOST TO DORCHESTER 2ND 208-6 BY 4 WICKETS

ON winning the toss on a damp low track bowling first was always going to be the option.

Rhys Cole followed on where he left off last week when he scored 79 not out against Cattistock, by going one better with an unbeaten 120 not out in Dorchester 2nds victory over leaders Cerne Valley.

Fielding first, Mike Peak returned to take the new ball with Pete Horne for Dorchester but neither had any success. First change Josh struck first when he bowled Cerne opener for 27.

Captain Stuart Beasley then trapped danger man, opposing skipper Neil Kellaway, who scored a century the previous week, lbw for 20, before a fantastic catch from Chris Clarke off Beasley accounted for the other opener.

Joe Power then bagged a brace before Peak and Horne returned to clear up the tail leaving top scorer Simon Green, who batted very well, stranded on 49 not out.

Dan Morris was promoted to open with Pete Phillips not available but he soon went for a single, but Cole joined Colin Edney (26) and they

◆ TON UP: Rhys Cole smashed 120 for Dorch 2nds

took the score to 107 before the opener was caught after a patient innings.

Cole, playing his shots from the start, enjoyed a good stand with Beasley (21) before there was a middle order wobble as Foot, Power and Clarke all went cheaply, but Matt Porter stayed with Cole and they saw Dorchester home.

Beasley said: "This was a fantastic win against top of the league and getting 20 points has put us into second. It was great to see Rhys carry on where he left off last week and to score a hundred in such difficult conditions just shows what a great player he is."

#### WINTON 2ND 98 ALL OUT LOST TO WEYMOUTH 2ND 68-1 BY 9 WICKETS

WEYMOUTH 2nds won their first game of the season.

#### Division Four BRIDPORT 120 ALL OUT BEAT PIMPERNE 111 ALL OUT BY 9 RUNS

BRIDPORT managed to beat nine-man Pimperne despite some indifferent batting, finally winning by nine runs thanks to a last wicket stand of 14 from Cerne Iversen (13 not out) and Calvin Lewis (5).

Mark Smith (10) and Liam Toohill (16) gave Bridport a solid start, but

the initially wayward Tom House finally got his act together and after having Smith caught, then accounted for the Bridport skipper.

Despite a solid and watchful approach from Mark Tozer who used his experience to hit the bad balls and find the gaps, Ollie Lee, Will Meech and Ed Halson were all bowled by House (5-33 from 12 overs) as they went looking for runs.

Alex Lee and Mark Cope went the same way to Saul Rimmer (4-22) as Bridport slumped to 89-7.

Tozer and Iversen arrested the demise but when Tozer was finally dismissed for an excellent 43, it was left to Iversen and Lewis to squeeze out what turned out to be important runs.

Pimperne made a good start in the six overs before tea, scoring 27 without loss. The introduction of Smith (2-42) after the break got the breakthrough and with Alex Lee (2-27) claiming the other opener, Bridport looked to be back in the game. However House (29) and Jon Sheppard (18) put up stubborn resistance and took the score to 79 before Toohill got the break bowling House.

When Halson (1-7) bowled Sheppard at 100-5 the game was up for the visitors and Bridport sneaked home.

Toohill said: "Too many of our batsmen went for big shots instead of being patient and it needed the runs from Cerne, who batted really well, and Calvin to get the score to 120.

"Fortunately our bowling got us home again defending a small total, but we need to get some consistency in our batting."

#### Division Five North & West MARNHULL 2ND 234-1 BEAT MARTINSTOWN 2ND 233-9 BY 9 WICKETS

MARNHULL 2nds won the toss and elected to field. Despite losing their openers cheaply Dan Evans (79) and Tom Bracey (78) showed excellent composure to put on a superb third wicket stand.

The remainder of Martinstown's batting order however managed only another 33 runs before they were all out for what seemed a respectable 233.

All Marnhull's bowlers returned reasonable figures but captain Nick Elsworth (3-43 from 12 overs) was the pick.

In the run chase it was again Elsworth who showed his quality with an unbeaten 120. Fellow opener Jon Young (83) also batted superbly and both batsmen giving only the most difficult of catching opportunities which the visitors were unable to hold.

Skipper Chris Monteith said: "Lack of consistency in our bowling attack cost us dearly with Marnhull's openers very quick to punish the bad ball.

Having posted a good total it was again disappointing not to be able to defend it, and certainly something we shall have to look at and work on."

#### PORTLAND RT 2ND 170-7 LOST TO SHILLINGSTONE 2ND 234 ALL OUT BY 64 RUNS

PORTLAND were beaten by highflyers Shillingstone in a match that proved that age old saying, "catches win matches".

Electing to bat Shillingstone lost opener B Andrews for a duck to an outstanding catch in the slips from

Stumpy Neven.

Things could have got better, but Portland spilled three or four catches, and some wayward bowling which produced 30 wides enabled their opponents to post a competitive total of 234 all out.

No batsman dominated the Portland attack, the pick of who once again was 15-year old Matt Barrett who picked up three wickets.

Portland lost early wickets but made a fight of it with S Barrett top scoring with a stylish 38 as they secured maximum batting points.

Skipper J Locke whilst admitting that the better team on the day won, drew solace from the fact that once again his charges fought all the way and dug in to achieve maximum batting points and a total of 10 points from the defeat.

#### Division Six BEAMINSTER 2ND 38 ALL OUT LOST TO SHAFTESBURY 288 ALL OUT BY 250 RUNS

DESPITE the heavy defeat there are several positives that Beaminster 2nd can take from their match against top of the league Shaftesbury.

With only ten men at the start they were effectively reduced to nine when Josh Ullah pulled a hamstring whilst fielding during the visitors' innings, and then was unable to bat in reply.

As a result Shaftesbury amassed a daunting 255-3 and looked set for a score well in excess of 350 when fortunes changed with Beaminster taking the last seven wickets for just 33 runs and full bowling points.

Openers R Brown (64) and T White (88) made use of the extra space in an opening partnership of 157 before Nick Holley (3-50) struck to dismiss both and I Sanger (0) to leave the visitors 179-3.

However, a fourth wicket partnership of 76 between I Cox (68) and A Robinson (38) took the score to 255 before Meech struck. He took 5-37 in 4.5 overs, and with Ade Phillips weighing in with 2-67, as Shaftesbury capitulated to 288 all out.

Dave Hall (8) and Toby Hall (19) got the hosts off to a steady start with a stand of 21, but the introduction of C Pym who took 4-6 from 3.5 overs saw the nine man batting line up dismissed for just 38.

2nd team skipper Hugh Rathbone who was playing for the first time said: "They showed great spirit in hanging on in there, and didn't let their heads drop and got their reward with a flurry of late wickets which earned them maximum bowling points.

"With the return of lads from uni this weekend hopefully both teams will be able to field more settled sides and results will improve."

#### CHARLTON DOWN 259 ALL OUT BEAT CREWKERNE 2ND 149 ALL OUT BY 110 RUNS

JAVED Gill top scored with 92 and Matt Stevens took 6-46 to secure a convincing 110 run victory over Crewkerne 2nds.

Jae Miller (13) and Luke Voss (17) put on 33 for the first wicket before the impressive 15-year old Rob Keylock (5-57) had Miller caught and then trapped Voss leg before with the score on 44-2 after 15 overs.

The partnership which set up the Charlton innings was between Javed Gill (92) and Jamie Quinten (36) who both batted patiently before unleashing a run a minute partnership of 81.

The pair pushed the score to 125-

3 before Quinten who had driven the ball exquisitely through the cover region was well caught at mid on.

Scott Parker (24) helped accelerate the score to 179-4 with some lusty blows to the boundary before he was trapped leg before.

Matt Stevens (4) soon departed brilliantly caught down the leg side by wicket keeper captain Ross Keylock; but Gill and Jack Eveleigh (25) then added a quickfire 55 before Eveleigh was stumped with the score on 245-6.

Gill's impressive innings which including 9 fours and 3 sixes, being particularly brutal to any short bowling following great patience in the early part of his innings, came to an end when he was stumped after a 2½ hour stay at the crease. Charlton Down lost their last four wickets for only 9 runs as they pushed for quick runs.

Nick Voss bowled Steve Briggs (5) with a ball that nipped back of the seam between bat and pad, before Louis Parkin trapped Keylock leg before with the score on 37-2.

A promising fourth wicket partnership of 60 between Neil Bodger (37) and Ross Hawkins (20) was brought to an end when Scott Parker snaffled an superb catch at short square leg.

The visitors' innings was then destroyed by the returning 15-year old Stevens who took the final six wickets in a devastating spell which saw the Crewkerne innings collapse

◆ SIX-FOR: Matt Stevens claimed 6-46 in comfortable Charlton Down victory.

from 120-4 to 149 all out.

Captain Pete Tucker said: "It was great to see Javed and Jamie bat with such patience in the early part of their innings displaying to their younger team mates what can be achieved with time at the crease. Once again Scott Parker and Jack Eveleigh batted well adding valuable runs.

"Javed then went on to just fall short of what would have been his maiden century.

"Even more pleasing was the bowling displays of Nick Voss and Matt Stevens who both bowled well, complementing each other as an opening pair.

"Nick was miserly with runs conceded and Matt Stevens who is learning the art of opening and closing down an innings with great effect, destroyed the Crewkerne middle and tail end batsmen."

## Free Basketball sessions

FREE basketball sessions are running throughout the summer as Bridport Evolution look to build their squad for the new season.

Anyone interested in the sport is being invited to attend the free Monday night sessions at Bridport Youth Centre, whatever their experience or ability level.

The summer sessions will be focused on fitness and basketball basics making it the perfect time for new people to join.

The summer sessions are initially for teenagers and adults aged 14+ but a new junior session will begin in September.

Coach Tom Glover said: "We're hoping the free sessions will attract some new faces to the club, even if it's just people who are looking for new ways to keep fit."

"Over the summer we will cover all the basics of the sport as well as building fitness so it's perfect for anyone new to the sport. If they wish to continue with the club come September they will have all the skills they need to compete."

"We did a similar thing last season and had quite a few new players who ended up staying for the season and helping us win a trophy."

"We have a real mix of players now aged from 14 to 50+, some have been playing since they were kids and some only picked up a ball a few months ago. It's a really friendly club and we're always on the hunt for more

players so if you or anyone you know fancies giving it a try then please get in touch."

Next season Bridport will be competing in the Exeter and District Basketball League, re-igniting local rivalries with Crewkerne and Weymouth. The league season begins on Monday, September 16th and will run until March 2014.
